

**Session title:**

Passenger Train Emergency Response

**Session speakers:**

Gary Miller-Amtrak

**Session summary:**

The Amtrak Passenger Emergency Response session will discuss Amtrak's commitment to Safety, Emergency Preparedness and Incident Response to an Amtrak rail incident. This session will provide background on recent Amtrak rail incidents and the response an Incident Command can expect from the Amtrak Incident Response Team and Family Assistance. Discussion will also include familiarization with Amtrak equipment, passenger evacuation and extrication. The session will conclude with Safety reminders when responding on or near a railroad.
