RE: Joint Preliminary Damage Assessment – Public Assistance

Dear Ms. Freeman:

Under the Provisions of Section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288 as amended, and implemented under Title 44 Code of Federal Regulations [44 CFR §206.33], I am requesting a Joint Preliminary Damage Assessment for Public Assistance as a result of severe weather and flooding starting on June 13, 2014 for the following Iowa counties. We request that damage assessments commence on Thursday, June 26, 2014 and consist of five teams.

Buena Vista	Cherokee
Clay	Dickinson
Franklin	Lyon
Osceola	Palo Alto
Plymouth	Sac
Sioux	Woodbury
Wright	Ida

As the response to the severe weather events in the state continues, there is a potential for this list to change. The State of Iowa has apprised Public Assistance Branch Chief James Nelson of this fact, and his office is aware of the current situation.

If you have any questions or comments regarding damage assessments please contact Aimee Bartlett, Recovery Operations Bureau Chief at (515) 725-9364, cell (515) 729-4852 or by e-mail at: aimee.bartlett@iowa.gov.

Sincerely,
