If You Need to Evacuate...

- Listen to a battery-operated radio for the location of the nearest emergency shelter
- Follow instructions of local officials
- Wear weather-appropriate and comfortable clothing and sturdy shoes
- Use flashlights if necessary
- Check for fires and other household hazards
- Turn off all appliances
- Stay away from downed power lines
- If possible, check on your neighbor
- Call your family contact to let them know where you'll be
- Take your shelter kit
- Confine/secure all pets
- Lock your home
- Use travel routes specified by local officials

Shelter Kit:

- Clothes
- Shoes
- First aid kit (family prescriptions, medications)
- Extra set of keys
- Credit cards, cash and checks
- Personal hygiene supplies (toilet paper, feminine supplies, toothbrush)
- Special items for infants, elderly or disabled family members
- Extra eye glasses/contact solution
- Important family documents (i.e. insurance cards, identification, birth certificates, passports, etc. Store in waterproof container)
- Family contact information
- Be sure all bags have an ID attached
- Label all equipment
- Cell phone and charger
Special Needs

If you or other members of your household would require special assistance in the event of an emergency evacuation, please complete and return this form so arrangements can be made. Please indicate whether you might need special notification or assistance with transportation if you were asked to evacuate your home. This information will be kept confidential and will be forwarded to local emergency service agencies in your area. It is recommended that you fill out a new form every year.
