

**RESOLUTION REGARDING REQUEST TO REALLOCATE FLOOD RECOVERY FUNDS
MILLER STURGEON LEVEE DISTRICT (L-601 MISSOURI RIVER)**

WHEREAS, Miller Sturgeon Levee District ("District") received an award from the State of Iowa Flood Recovery Fund ("Fund") in the amount of \$652,650.00 for the purposes of debris removal and damage repair caused by the 2019 Missouri River Flood Event; and

WHEREAS, debris removal and damage repair caused by the 2019 Flood Event has been completed at the approximate cost of \$326,473.53; and

WHEREAS, the District is no longer in need of the funds from the Fund in the approximate amount of \$326,176.47 for debris removal and damage repair caused by the 2019 Flood Event and therefore request that said funds be reallocated as the Flood Mitigation Board deems fit to the following entities: M & P Missouri River Levee District; L- 601 Missouri River (Bartlett Segment) Levee District; and Plattville Drainage District.

IT IS THEREFORE RESOLVED BY THE TRUSTEES OF THE MILLER STURGEON LEVEE DISTRICT AS FOLLOWS:

1. That the remaining funds allocated by the Fund in the amount of \$326,176.47 be reallocated by the State of Iowa Flood Mitigation Board for use for those districts which have an overrun in the costs incurred for debris removal and damage repair from the Flood Event. The trustees urge the Board to utilize such reallocation funds for the following districts: M & P Missouri River Levee District; L-601 Missouri River (Bartlett Segment) Levee District; and/or Plattville Drainage District.

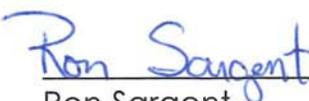

Adopted this ____ day of August, 2020.
